The library of the Society is now located in the Sutro Branch of the California State Library, at the corner of Sacramento and Webster Streets, San Francisco, where the books may be consulted or taken out by Members, subject to the regulations of the State Library.

The order in which papers are printed in the PUBLICATIONS is decided simply by convenience. In general, those papers are printed first which are earliest accepted for publication. Papers intended to be printed in a given number of the PUBLICATIONS should be in the hands of the Committee not later than the 20th of the month preceding the month of publication. The responsibility for the views expressed in the papers printed, and for the form of their expression, rests with the writers, and is not assumed by the Society. Articles for the PUBLICATIONS should be sent to the chairman of the Committee on Publication, R. G. Aitken, Lick Observatory, Mt. Hamilton, California.

Reprints of articles appearing in the PUBLICATIONS will be furnished at cost prices.

Regular meetings of the Society are held in San Francisco or vicinity on the last Saturdays of January, March, June, and November, and at the Lick Observatory on the last Saturday of August. Members who propose to attend a meeting at Mount Hamilton should communicate with the Secretary-Treasurer, in order that arrangements may be made for transportation.
